Part A: URL of the Visualisation

Paste your visualisation URL in the empty space below.

Tip: Test your URL in incognito mode to ensure it is a working URL

<https://dnzl88.github.io/Data-Visualization-2/>

Part B: Domain Description

Describe your domain chosen for DV II

The domain of DV2 is on Malaysia's Economic Status. It covers Malaysia's economy such as its GDP, trade, and the size of Malaysia's economy in comparison with other countries.

Describe the Why and Who aspects of your DV II

The goal of the visualisation is to analyse and make comparisons of Malaysia's economy within a domestic and international context.

This visualisation would have a target audience for economic students, or even researchers.

Describe the "What" aspect of your DV II

Data: GDP by state 2024. State(categorical), GDP(quantitative).

Source: Wikipedia,

https://en.wikipedia.org/wiki/List_of_states_and_federal_territories_of_Malaysia_by_GDP

Data: GDP breakdown by sector 2024. Sector (categorical), GDP share(quantitative).

Source: Department of Statistics Malaysia, <https://www.dosm.gov.my/portal-main/release-content/gross-domestic-product-gdp-by-state-2024>

Data: Top 4 Individual sector breakdown 2024. Items in Sectors (categorical), Sector share (quantitative).

Source: Department of Statistics Malaysia, <https://www.dosm.gov.my/portal-main/release-content/gross-domestic-product-gdp-by-state-2024>

Data: Trade by state. State(categorical), Imports (quantitative), Exports (quantitative)

Source: Department of statistics Malaysia, <https://www.dosm.gov.my/portal-main/release-content/malaysia-external-trade-statistics-by-state-2025>

Data: GDP in ASEAN. Countries (categorical), GDP (quantitative).

Source: Statista, <https://www.statista.com/statistics/796245/gdp-of-the-asean-countries/?srsltid=AfmBOoqQZciZS9TMyY-XAOS21nglRMY2ZdfAz08e9AhQ-BspUpA8tvAz>

Data: Malaysia Trade Partners. Countries(categorical), Exports (quantitative).

Source: World Stop Exports, <https://www.worldstopexports.com/malaysias-top-import-partners/>

Describe the “How” aspect of your DV II

- Choropleth map for GDP by state with colour luminance as the channel. Helps user visualise the state with the higher GDP contribution.
 - Bar chart for GDP growth by state with length and colour hue as the channel. Helps users know which state has the larger growth and whether it is above or below average.
 - Stack bar chart for GDP Share by Sector with length and colour hue as the channel. Helps the users know which sector contributes the most to the GDP.
 - 4 donut charts to show the in-depth of what makes up the 4 largest sectors of Malaysia’s GDP. Uses area as the mark and colour hue as the channel. Helps users identify which items makes up a larger proportion in each of the 4 sectors.
 - Choropleth map for net export by state with diverging colour luminance as the channel. Helps users identify and compare which states exports more (blue colour luminance)/ imports more(red colour luminance).
 - 2 bar charts to show the value of imports and exports by state. Uses line as the mark and length as the channel. Helps users compare and analyse the differences between imports and exports for each state.
 - Packed bubble chart to show the top 25 trade partners. Uses dot as the mark, and size and colour hue as the channel. Helps users understand which country and from which region Malaysia trades with the most.
 - Stack Area chart to show the total GDP of ASEAN with the individual ASEAN countries GDP. This idiom uses area as the mark and colour hue and area as the channel. Helps users to compare the GDPs of each ASEAN countries.
 - Bump chart to show the ranking of ASEAN countries based on their GDP. Uses lines and points as the mark, and colour hue as the channel. Helps users make comparison for which is the leading country within ASEAN, and where Malaysia places relative to other ASEAN countries.
-

Part C: Sketch

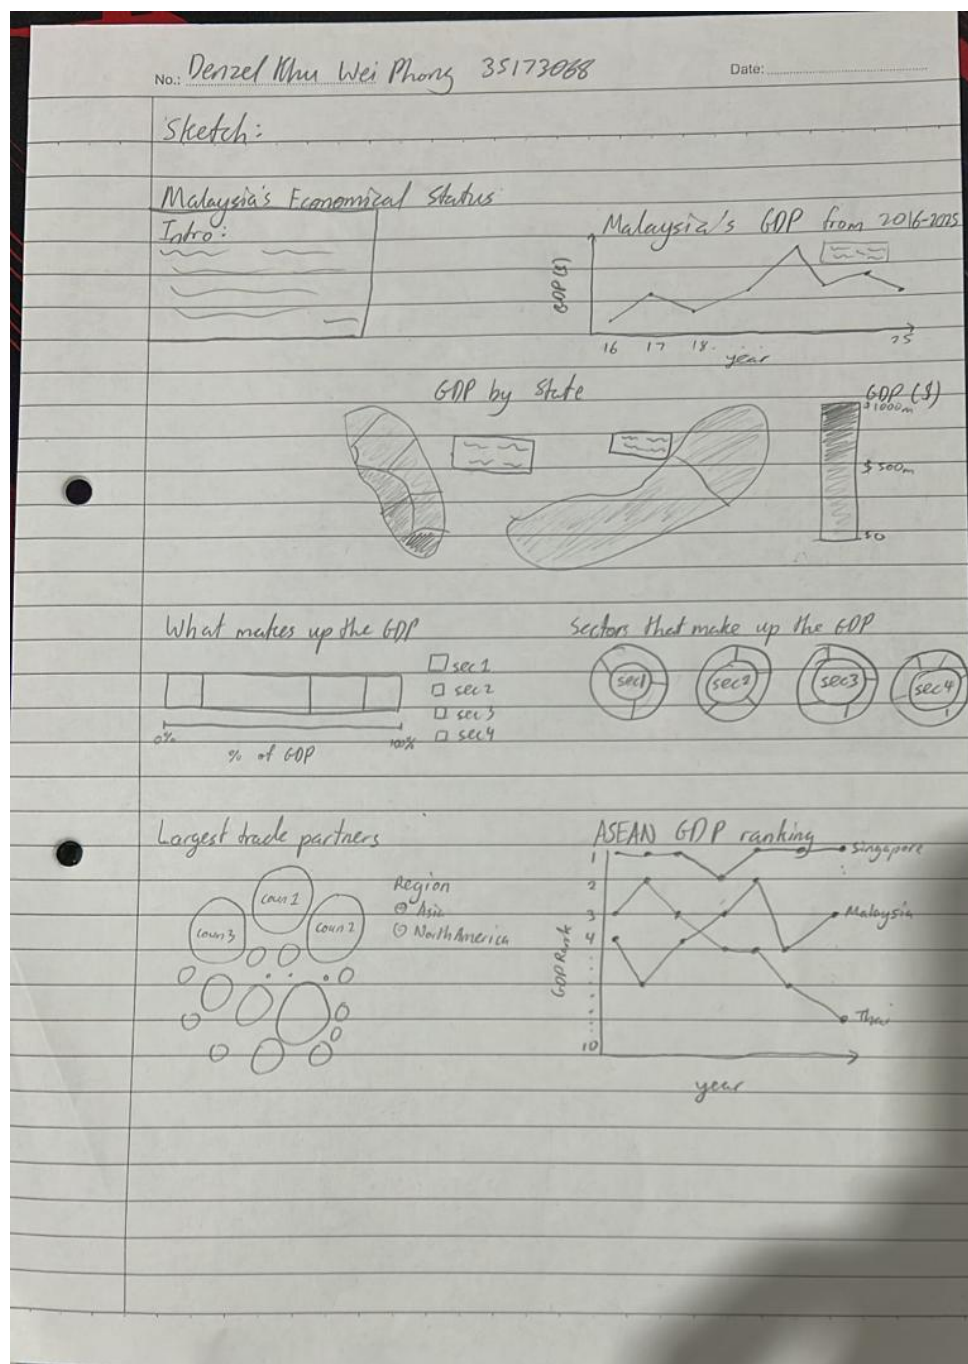

A URL to a PDF document with an image of your sketch on your GitHub account.

Tip: Test your URL in incognito mode to ensure it is a working URL

<https://github.com/DnzL88/Data-Visualization-2/blob/main/A2/DV2%20Sketch.pdf>

Paste a screenshot of your sketch for your DV II.

Note: Use the entire page here for the screenshot and ensure that it is clearly legible and visible

Part D: Full-size screenshot of your DV II

Paste a full-size screenshot of your DV II assignment from the URL here
